

## 2004 Annual Safety Training for Laboratory Staff

I was unable to attend the 2004 The Annual Bloodborne Pathogen Training and the Annual Chemical Safety Training for Laboratory Personnel. In order to comply with The State Laboratory Safety Policies I completed the following.

Please check one:

\_\_\_\_\_ I attended the Laboratory Safety Training portion of the December 15, 2004, Employee Orientation. 2:00 p.m. – 4:00 p.m. in room 210.

\_\_\_\_\_ I reviewed the information contained in the presentation Biosafety at the State Laboratory Institute and Chemical Safety in the Laboratory.

<b>Your name (Print clearly)</b>	<b>Your signature</b>	<b>Date</b>
<b>Supervisor name (Print clearly)</b>	<b>Supervisor signature</b>	<b>Date</b>

Please return the completed form to Kristen Pribeck in room 203. fax #617-983-6210

All laboratory staff are required to attend an annual Bloodborne Pathogen Training and an annual Chemical Hygiene Training at the State Laboratory Institute. The attendance of administrative staff is up to the discretion of an employee's supervisor. If your supervisor determines that you are exempt from either training, the supervisor must notify to Kristen Pribeck in writing.
